

Barrow County Sheriff's Office Crime Scene Investigations is currently comprised of one Sergeant and one full-time Investigator who are responsible for all of the evidence being submitted or returned within a department and for working crime scenes. CSI is called to respond to major incidents including all deaths, rapes, aggravated assaults, armed robberies, some arsons, all commercial burglaries, certain residential burglaries when needed, and theft cases where there is a need for the scene to be processed for fingerprints, shoe/foot prints, tire impressions, or blood evidence.
